FFIT® Computer Floor 10 Year Warranty

SMARTdesks® warrants to the original buyer that the FFIT® Floor products sold hereunder and installed by an authorized SMARTdesks® installation firm to be free from defects in workmanship and materials. In the event of product failure, the following warranty will be honored for a period of 10 years from date of product shipment.

SMARTdesks® reserves the right to inspect all components for defects. All products in question must be returned prepaid to SMARTdesks® within 30 days of discovery. FFIT® Floor system components will be replaced or repaired, at SMARTdesks's sole discretion.

FFIT® Floor finished surface materials (i.e. carpet tiles) will be warranted to the extent of the manufacturer's warranty as represented by the carpet tile manufacturer. The carpet tile manufacturer offers a separate warranty on the carpet component only. SMARTdesks® will not honor any warranty replacement of flooring components, due to warranty failure of the carpet tile.

SMARTdesks® provides no warranty and assumes no warranty responsibility for any system components not provided by SMARTdesks® as part of a system and / or provided by SMARTdesks® as a client specified component, beyond standard SMARTdesks® system components.

Warranty will not apply if system / products are installed by other than an authorized SMARTdesks® installation firm and / or subject to abuse, negligence, abnormal use, or use in ways not in accordance with FFIT® Floor applications and / or installation instructions. If customer fails to comply with any of the terms and conditions of this warranty, this warranty in its entirety will be deemed void.
