Adjustable Height Pedestal Tables

Brainstorm tops

The Cirrus floating balance adjustable height tables feature a pneumatic assist pedestal column, balanced for 44 lbs. This force balances the top to make lifting and lowering the top smooth and easy.

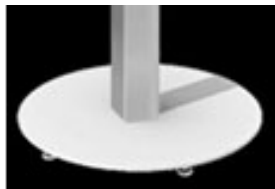

Position the top anywhere within a range of 26 to 43.7 inches, a range of 17.72 inches giving full ADA compliance access to all users. The sure grip cable release is designed to operate safely without unintentional release. Smooth motion with no-bounce stopping.

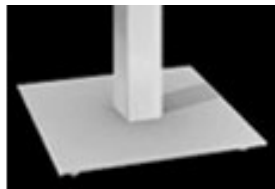

The Brainstorm Top gives four working sit/stand table positions where up to four laptops can be used together. The top is finished in tough 3D Thermofoil with contoured edges, or high pressure laminate with 3mm PVC edge trim, available in your choice of colors.

Adjustable Height Pedestal Tables

TriCloud Tops

The Cirrus floating balance adjustable height tables feature a pneumatic assist pedestal column, balanced for 44 lbs. This force balances the top to make lifting and lowering the top smooth and easy.

Position the top anywhere within a range of 26 to 43.7 inches, a range of 17.72 inches giving full ADA compliance access to all users. The sure grip cable release is designed to operate safely without unintentional release. Smooth motion with no-bounce stopping.

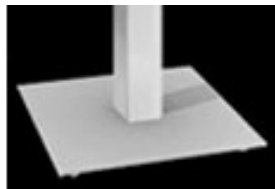

The Cirrus TriCloud is so named because it is shaped for up to three laptop users who can float to any common stratosphere together. The work surface is highly scratch resistant. You may specify the top to be made of MDF, finished in laminate and edged with semi-rigid PVC, or with contoured edges finished in 3D Thermofoil.

Motorized Adjustable Height Tables

Infinitely variable heights from 26 to 41.75 inches: a range of 15.75 inches. Adjustment speed is 1.97 IPS (50mm/sec) with keypad control.

205E Motorized legs are extruded aluminum with powder-coated steel bases and bullnose nylon end caps.

Floor Leveler Glides are standard; Locking Casters are optional.

Choose top material:

- 3D Thermofoil or
- Laminate with 3mm PVC edge trim.

Optional Modesty Panel:

Standard: Steel frame, fabric-mesh modesty panel with hook and loop wire management closure (black)

Option: 10" MDF finished to match top. Hinged to top. 3mm PVC edge trim to match top trim.

Choose Power/Data Options:

- **Villa Power/Data Port** with 9' cord.
- **Villa Power/Data port** with DaisyLink Modular Power

Ratchet Adjustable Height Tables

Cirrus with ratchet height adjustment also incorporates a flip top design for easy storage. Lift to adjust height: top of travel resets to lowest position.

9.45" height adjustment range, in 0.78" increments, from 26.5" to 36" standing height.

Ratchet E2 legs are powder-coated steel, square tubular design, sculptured base.

Floor Leveler Glides are standard; Locking Casters are optional.

Choose top material:

- 3D Thermofoil or
- Laminate with 3mm PVC edge trim.

Choose Modesty Panel:

Standard: Steel frame, fabric-mesh modesty panel with hook and loop wire management closure (black)

Spring Pin Adjustable Height Tables

The spring pin adjustment of the Cirrus adjustable height laptop table makes this a practical choice when it might be used for different grades throughout its long service life. That's why it is a popular choice with K-12 schools. Adjust the the height from 24 to 30 inches in one inch increments.

Tops are available in widths 36 to 72 in 6 inch increments. Depths are 24, 26, 30. Tops may be laminate with PVC edges or 3D thermofoil with contoured edges. This is a truly multi-purpose table that will serve use with computers, art materials—even lunchrooms.

Options:

Add connectivity options, such as the Villa power data port, with two 110VAC power and two RJ45 data connectors to serve laptops in class. Add a modesty panel: solid or mesh fabric with hook and loop closures for wire management. Add a SnapChase to the leg to manage cords from the floor to the modesty panel. Add casters for mobility. Data cables can run in NeatLinks wire manager channels. Available with locking casters for mobility or floor glides. ADA compliant computer table.
