

# DLSEMINAR™ TABLE SYSTEM

FOR LAPTOPS AND DISTANCE LEARNING ENVIRONMENTS

The most versatile training table system available.

DDL-602428-SCL

The removable modesty panel folds down for easy access to cable channel and power supply.

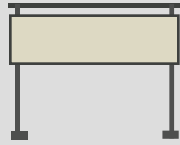

The modesty panel provides cable management and a built-in surge-suppressed power strip.

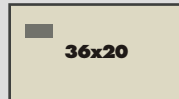

Choose the fixed Model 105 rectangular leg for cable management or the folding Model 101 round leg if compact storage is needed.
