

DEMI™ TRAINING TABLES

FOR TEAM COMPUTING

Two DEMI™ Tables put four students together comfortably.
DDE-723628-Cx9

For the ultimate in adjustability, the KEY 1 Series keyboard platform features a separate mousing platform. Meets ADA requirements and surpasses ANSI/BIFMA standards.

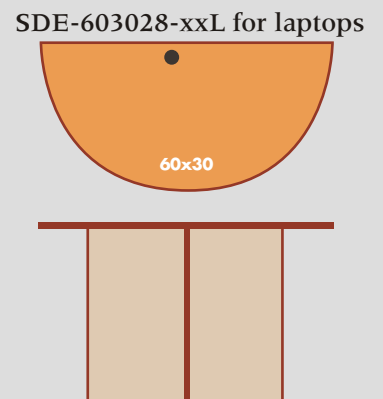

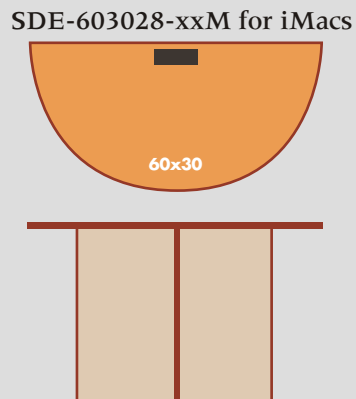

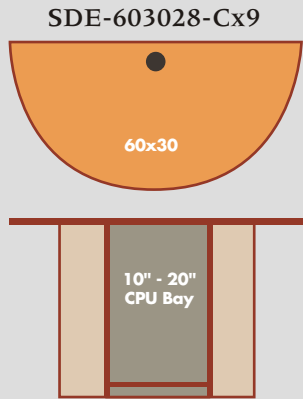

DEMI™ Tables are available in three heights to accommodate grades K through adult students and they can also be built at stand-up height for use as registration desks.

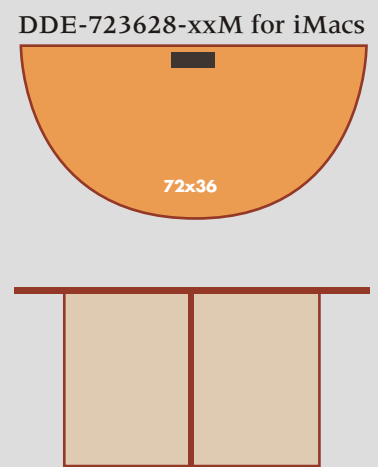

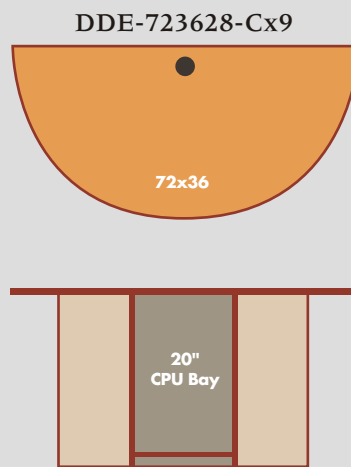

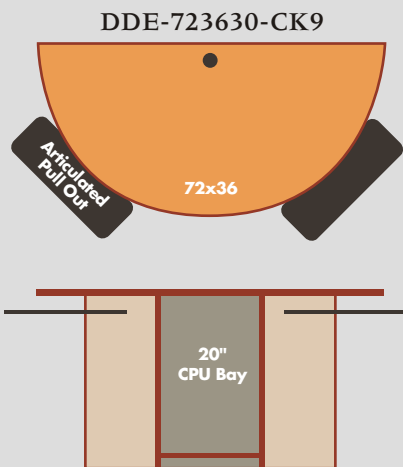

Shown with HO-C clamp-on LCD monitor arms, Power/Data Port and Desktop Grommet options
