

MPLEX™ LECTERNS

A FULL ARRAY OF LECTERN STYLES AND OPTIONS

More options and value for cost-conscious budgets

SMARTdesks gives you more models to choose from, more colors and more features that support the technology and the comfort of the people using it. A perfect fit of beauty, utility and economy.

MPLEX™ Multimedia Lecterns by SMARTdesks™ are an elegant solution providing a compact and secure enclosure for equipment, storage for essential media and supplies, a central location for controls and an ergonomic presentation platform.

The MPLEX™ Series integrates computer technology with practical functionality and a simple aesthetic. Offered with semi-recessed, desktop or sub-surface monitor configurations, they accommodate 14" to 21" CRT Monitors, up to 19" LCD Flat Panel displays and Laptop Computers.

Each lectern is designed to meet your specific requirements. Every configuration is available in a range of sizes and a comprehensive options menu allows you to add just the accessories you need to build the perfect presentation platform. Standard features include: 55CFM whisper fan, SPS10 6-outlet surge protector power strip with 10-ft cord, and a standard 28" keyboard pull-out.

INSTRUCTION STATIONS

SEMI-RECESSED MONITOR CONFIGURATION

A teaching station demands flexibility...

...and the ability to accommodate not only different body types, but different teaching styles, too.

ISR-723030-CA9
shown with optional lectern document
holder and articulating keyboard

The Sit-Stand Lectern/Desk adapts. A 15 1/2" height range and separately tilting keyboard and mouse platforms enables the dual-arm, articulated keyboard to fit a 5'-2" seated instructor as easily as a 6'-2" standing adult.

The 3M™ Keyboard/Mouse platform, with lifetime warranty, is as sturdy as it feels and it stows neatly under the desk when not in use.

Additional Standard Features of the Sit-Stand Lectern/Desk:

- Three Monitor Configurations
- Removable Desk Top Podium
- Locking CPU/Storage Doors
- Integral Wire Management™
- Meets ADA Requirements
- Over 1250 color combinations

Our product numbers have meaning:

ISR-723030-CA9

Prefix:	Dimensions:	Suffix:
Instructor	Width= 72"	C= Double CPU Capacity
Semi-	Depth= 30"	T= Tower CPU Only
Recessed	Height= 30"	K= Keyboard Pull Out
		A= Articulating Keyboard Option
		9=19" Monitor
		1= 21" Monitor
