

# MFP Series Podium

Semi-Recessed Display for iMac and AIO

For iMac® and AIO displays mounted on their own stands. Display is semi-recessed into the work surface to eliminate any obstruction of the line-of-sight between instructor and student. The LCD is easily seen by the teacher from behind and to the sides of the computer podium so there are fewer restrictions to moving around while lecturing.

Cabinet is configured with locking single and double equipment and storage bays. Podiums are 30 inches deep, 42 inches high and are sized in 4 widths: 30, 36, 54 and 60 inches. Doors are on 270° hinges to enable them to fold flat against the sides when the lectern is in use.
