SMARTdesks®

## FRAMELESS DESK DIVIDERS FROSTED ACRYLIC PANELS AND

SMARTdesks frameless desk dividers are an easy and economical way to add privacy to existing workstations or for turning freestanding tables into custom cubicles, study carrels or call center stations. Our Desk Dividers come in a wide range of sizes and finish options, making it easy to create a custom configuration to fit the size and look of your current space.

- Frosted Acrylic .2" thick with smooth edges
- Rubber pads on the Clamp & Support Foot protect your desk and hold product in place
- Quickly clamps onto tables and can be easily installed and uninstalled
- Clamp & Support Foot can be reversed for clamping onto the front or back of a table
- Clamps are heavy gauge steel with a powder coated finish

## The Great Divide: Wings

Clamp onto tables 1/4" to 1-7/16" thick.  
Clamp and support foot can be reversed for clamping onto the front or back of a table.

Great Divide Wings come with one clamp and one friction foot.
